

**2026 MUSCATINE COUNTY
PERMIT TO APPLY DUST CONTROL PRODUCT**

APPLICANT (Please Print) _____

STREET ADDRESS _____ CITY _____

PHONE NUMBER OF APPLICANT _____

DESCRIBE PLACE OF APPLICATION: TOWNSHIP _____ SECTION # _____

ADDRESS IF DIFFERENT THAN ABOVE _____

LENGTH OF APPLICATION _____ NUMBER OF APPLICATIONS _____

NAME OF CONTRACTOR PROVIDING APPLICATION _____

After completing this permit, please return it to your contractor before the **April 24 deadline**. Your contractor will then send a copy to the Muscatine County Secondary Road Department for approval. If submitted before the deadline, this will also be the county's prompt to prepare the road as deemed necessary, which may or may not include blading and/or rock. Failure to timely submit an application and/or properly mark the treatment area may result in substandard dust control quality as the county may deem it necessary to disturb the treated area. Permit applications submitted after the **April 24 deadline** will be subject to a \$10.00 fee, made payable to Muscatine County Engineer, 3610 Park Ave West, Muscatine IA 52761. Deadlines will be strictly adhered to with no exceptions.

I, the applicant, have contracted with the above contractor to apply a dust control product to a Muscatine County Road. **I have read the Muscatine County Dust Control Regulations** and am aware that the County may, at any time deemed necessary, blade through this dust control spot or add rock. **I am also aware that in October my dust control spot will be bladed or rocked as needed for winter preparation.**

SIGNATURE OF APPLICANT _____

DATE: _____, 2026.

Important Dates:

- **April 24** – Permit applications are due.

Permit applications submitted after April 24 will be subject to a \$10.00 fee, made payable to Muscatine County Engineer, 3610 Park Ave West, Muscatine IA 52761.

- **May 1** – Flags must be in place.

- **October 15** – Flags may be removed. The road will be bladed and/or rocked as needed for winter preparation.
