The Board recessed at 9:10 A.M. and reconvened at 9:18 A.M.

Representatives of Iowa State Association of Counties (ISAC) updated the Board on services available through ISAC. ISAC HIPAA Compliance Officer Beth Manley stated ISAC provides a HIPAA Program for \$1,950 for the first year and \$1,750 annually upon renewal which provides an annual webinar 101 and multiple webinars throughout the year for hot topics or as requested by counties. Manley stated access would also be available to previous documents and webinars. Manley stated the annual fee includes 5 hours of consultation annually with Alyssa Smith of Dorsey and Whitney and unlimited consultation with herself. Manley stated in person training is also provided in Des Moines once a year. Manley stated there are currently 20-25 counties participating in the HIPAA program.

Precinct Atlas Program Manager Tammy Norman updated the Board on developments with Precinct Atlas which is now managed by ISAC rather than Cerro Gordo County. Norman stated ISAC was brought in to manage for the Precinct Atlas Consortium because of recent election law changes and the Consortium growing to 75 counties. Norman stated they will be rolling out new software October 1st after testing is completed in September. Norman stated the annual fee is still around \$1500 depending on the size of the County, but they will also offer extra support for \$1,000 annually for those counties that do not have an IT Department and \$50 per laptop to encrypt and prepare new computers if the County purchases their laptops through ISAC.

The meeting was adjourned at 9:43 A.M.
