Monday, October 8, 2018

The Muscatine County Board of Supervisors met in regular session at 9:00 A.M. with Howard, Mather, Sauer, Sorensen and Bonebrake present. Chairperson Sauer presiding.

On a motion by Sorensen, second by Bonebrake, the agenda was approved as presented. Ayes: All.

On a motion by Sorensen, second by Mather, claims dated October 8, 2018 were approved in the amount of \$2,028,923.15. Ayes: All.

A Public Hearing was called to order at 9:01 A.M. by Chairperson Sauer on proposed changes to Muscatine County Zoning Ordinance to add requirements related to telecommunications transmission towers in A-1 Agricultural Districts, R-1 Residential Districts, I-1 Light Industrial Districts and I-2 Heavy Industrial Districts. Planning and Zoning Administrator Eric Furnas explained telecommunications towers are currently special uses in the districts with no setback designations. Furnas stated the Board of Adjustment has struggled with some of them and is proposing setback regulation and perimeter fencing. Howard asked if this might affect towers brought before the Board from the Secondary Roads Department. Furnas stated they would be subject to the restrictions set by this ordinance if it is adopted. Bonebrake stated this is for public safety as many of these companies are headquartered a thousand miles away from here. Mather asked if a bond could be established to allow for an abandoned tower to be decommissioned and removed with the County taking possession of the scrap metal. Furnas stated that could be considered but he would have to do some research on the topic. Howard stated the Board could go ahead with this ordinance and amend it later to add a bond. No one spoke against the proposed ordinance. On a motion by Sorensen, second by Bonebrake, the public hearing was closed at 9:17 A.M. Roll call vote: Ayes: All.

On a motion by Sorensen, second by Mather, the Board approved an ordinance to add requirements related to telecommunications transmission towers in A-1 Agricultural Districts, R-1 Residential Districts, I-1 Light Industrial Districts and I-2 Heavy Industrial Districts on the first of three readings. Roll call vote: Ayes: All. The Board directed Administrative Services Director Nancy Schreiber to place the second reading and waiver of the third reading on next week's agenda.

The Board reviewed a variance granted by the Muscatine County Board of Adjustment on Friday, October 5, 2018. Case #18-10-01 is an application filed by Marvin and Ellyn Kerschenske, Record Owners. This property is located in Seventy-Six Township, Woodland Hills, Lots 27 & 28, in the SW¹/₄ of Sec. 34-T76N-R3W, 2793 Woodland Drive, Letts, containing approximately 2 acres and is zoned R-1 Residential District. This request, if approved, would allow the Zoning Administrator to issue a Variance in order to build an outbuilding in front of the existing dwelling, but over 50 feet from the front line. On a motion by Sorensen, second by Bonebrake, the Board accepted the Variance. Ayes: All.
