

Muscatine County Board of Supervisors
Monday, November 25, 2019

The Muscatine County Board of Supervisors met in regular session at 9:00 A.M. with Holliday, Sauer, Mather, Sorensen and Saucedo present. Chairperson Mather presiding.

On a motion by Sorensen, second by Saucedo, the agenda was approved as presented. Ayes: All.

Educational Outreach Program Coordinator Rosa Mendoza presented information regarding the Diversity Services Center of Iowa. Mendoza stated the center which was established March 1, 2001, just celebrated its 18th anniversary. Mendoza stated the Center's mission is to provide educational outreach to guide individuals through the immigration process and by advocating for minority senior citizens. Mendoza stated the Center is one of only eight in the State of Iowa that are accredited through the U.S. Department of Justice. Diversity Services Center of Iowa Boardmember Mike Biklen stated they have a 99.9% success rate for getting applications approved.

Mike Nolan, Horizon Architecture, updated the Board on the Muscatine County Maintenance Facility Project. Nolan stated they have completed most of the excavation and backfill for the Maintenance Facility. Nolan stated the project is on schedule with foundation walls to be poured today and the slab poured before Christmas.

Discussion was held with Nolan on a proposal for construction photography of the Muscatine County Maintenance Facility Project. Nolan stated he would provide drone photography with thermal imaging for the project. On a motion by Saucedo, second by Holliday, the Board approved a Service Order for construction phase photography of the Muscatine County Facility Project in the amount of \$2,500. Ayes: All.

Discussion was held with Nolan regarding a change order for the Muscatine County Maintenance Facility Project. Nolan stated the change order was due to the color selected not being available as a standard color. Nolan stated the selected light gray color would cost an additional \$10,061.70 and take approximately 15 weeks to receive. Nolan stated the only standard colors are indigo or ivory and feels the ivory color would be a reasonable option. Board consensus was to consider the ivory color and adjust the color palette of the building accordingly. Nolan stated he will return with a new color palette of standard colors based off the ivory color.

Discussion was held regarding a request from the City of Muscatine for the County to contribute \$1,000 toward the \$3,000 fee charged by One House Partners for a research and literature review of leading community development approaches. Nolan stated the research would assist with neighborhood revitalization and affordable housing initiatives in the City of Muscatine, Muscatine County and surrounding communities. Sorensen stated he feels rural counties and cities are having trouble attracting and keeping talent in the community and the point of this research is to show support for these efforts. Sorensen stated the work he has seen done by Mike Nolan and One House Partners is the most actionable of any research he has seen presented. Mather stated he would want the County to have part ownership in the resulting literature. On a motion by Saucedo, second by Sorensen, the Board approved contributing \$1,000 of the \$3,000 fee charged by One House

Partners for a research and literature review of leading community development approaches.
Ayes: All.
