

Muscatine County Board of Supervisors
Monday, October 12, 2020

The Muscatine County Board of Supervisors met in regular session at 9:00 A.M. with Holliday, Sauer, Sorensen, Mather and Saucedo present. Chairperson Sorensen presiding.

On a motion by Saucedo, second by Mather, the agenda was approved as presented. Ayes: All.

Discussion was held with Sheriff C. J. Ryan regarding his request to hire replacements for staff retiring at the end of the year. Sheriff Ryan stated he would like to hire two deputies knowing that the department will be losing both himself and his Chief Deputy at the end of the year. Sheriff Ryan stated they have two applicants who are already certified peace officers which means they can forego the time and expense of sending them to the academy. Sheriff Ryan stated he would like to get them hired immediately to allow for transition. Administrative Services Director Nancy Schreiber confirmed the hiring will probably require a budget amendment. In response to a question from Sauer, one is from Cedar County and the other from Louisa County, so they will have to relocate. On a motion by Saucedo, second by Holliday, the Board authorized Sheriff Ryan to proceed with the immediate hiring of two deputies to replace staff retiring at the end of the year. Ayes: All.

Saucedo stated he would also like the residents on that road to have a chance to communicate with the Board. White stated Terry Holliday's illegal excavation of the ditch exasperated the problem. White stated he was informed by the previous County Attorney that Terry Holliday would have to pay for the damage he caused, but that never happened. White stated an option may be to install a box culvert to replace the bridge that used to be there. The Board will place this on the agenda again for discussion and possible action October 26th.
